Just verifying your understanding that you have covered the universe of R3 PFOA SDWA 1431 AOs -- DuPont (2009); Warminster; and Willow Grove, PA.

Subject: Urgent request for information re: PFOA - SDWA 1431 Actions? Other Actions?

Hello all,

I received a request from our OECA's Communications office to provide information on all actions EPA has taken to date regarding PFOA. Apparently, the reporter has a tight turn-around, so if you all can let me know what you know as soon as possible, it is greatly appreciated.

I know that EPA has the following SDWA 1431s, but maybe you all can fill in the blanks and let me know if you know of any other actions?

Please provide a better name for these cases as I typically just know the shorthand name.

Active SDWA 1431 Orders:

- Region 3/5 – DuPont – Washington Works
- Region 3 - Federal Facility – Navy and/or Air Force
- Region 1 - Federal Facility (Does anyone have more information on this Order? Maybe a contact in Region 1?)

Are there other SDWA 1431 Orders?

Are there other actions not using SDWA 1431?

Thanks,
Clarke
